Clean Your Body - Feed Your Body

The Gift for a Cleaner Body

Herb Cocktail Powder or Caps

280g or 225ct

Regular Member's Price \$39.95 each

Gift Price \$35.00 each

The primary action of Herb Cocktail is not the normal hydraulic effect of other cleansers, but rather this electrical formulation has been designed to supply specific frequencies of energy to specific muscles within the colon and bowels to stimulate their ability to contract fully, thus the natural pulsing action of bowel is enhanced. One of the most effective lifestyle products available in today's world.

The Gift of Digestive Aid – Powerful Contractors for the Body

N-Zymes – 500ct or 10oz Powder

Regular Member's Price \$110.00 each

Gift Price \$95.00 each

Enzymes – the Spark of Life – ...are the catalyst for every process in the body. Avena's Electrically compatible formulation containing Protease, Amylase, Lipase, Cellulase, Maltase, Lactase, Phytase, and Sucrase. Added to this is a powerful O₂ Factor™, a specially formulated antioxidant enzyme complex derived from whole-food concentrates.

To complete this Electrically Available® masterpiece, the important Co-Enzyme's, a balanced blend of enzyme co-factors, are incorporated into this formulation to facilitate proper metabolic sequencing.

The Gift of a Balanced Body

Tocotrienol Complex 9.5oz or 20oz

Regular Member's Price 9.5oz - \$45.00, or 20oz - \$85.00 each

Gift Price 9.5oz - \$40.00 each, or 20oz - \$75.00 each

Contains a high level of amino acids, the building blocks for protein – the little red wagon that carries nutrients to the cells. To assemble the proteins your body needs, it must have a sufficient supply of all 22 Amino Acids. Proteins make up a large part of each cell in the human body, therefore they are important in building, maintaining, and repairing body tissues, especially bone cartilage and muscle.

Electrically Formulated® - the individual ingredients are uniquely formulated to create a synergy that is Electrically Available® to the body.

The Gift of Workers in the Body

Friendly Flora – 240ct

Regular Member's Price \$129.95 each

Gift Price \$110.00 each

A synergetic formulation containing the natural and necessary live bacteria L. Salivarius and L. Plantarum OM. This formulation has been electrically stabilized using a unique proprietary process that dramatically enhances its potency. Hard-working friendly bacteria are a necessary part of the biological process, and in fact, produce substances creating an electrical matrix that can inhibit cancers, deactivate viruses, reduce cholesterol, enhance the immune system, and distribute vitamins to every organ of the body.

The Gift of a Powerful Anti-Oxidant

Electric C - 180g

Regular Member's Price \$49.95 each

Gift Price \$42.00 each

The ultimate Electrically Available® Vitamin C with Electrolytes. Electrically Formulated® and synergistically combined Vitamin C, Potassium, Sodium, Magnesium, and Zinc in a base of bioflavonoids and dulse. This Electrically Available® formulation overcomes many of the conventional Vitamin C reactivity problems. It is stable and safe for the body in large doses. Electrically Available® Electric C assists the body by filling the electrical vacuum caused by the build up of toxins and chemicals from our food and environment. Vitamin C assists the body to clear the toxins; and the combining of the Electrolytes with a natural Vitamin C creates a powerful and immediate rebuilding of the electrical firing from cell to cell within the body.

The Gift of Minerals that Work

Minerals – 120ct

Regular Member's Price \$75.00 each

Gift Price \$65.00 each

Finally... "minerals that works"!

Everyone needs minerals that work! Our team of Scientist's have spent the last ten years to combine only those minerals that have an electric synergetic compatibility. This Electrically Available™ formulation lays down these food-grade minerals in a duplication of Nature's timeless wisdom. With mineral formulations, more is not better. The body needs to recognize the electrical matrix of the product as food.

The Gift of God's Green Foods

Super Food -240ct or 6oz Powder

Regular Member's Price \$39.95 each

Gift Price \$32.00 each (for either 240ct or 6oz Powder)

Avena's Super Food – a whole-food supplement formulated to be the premium Super Food with powerful nutritionally-balanced ingredients. This product is Enzyme enhanced for optimal delivery – Super Food allows superior utilization, providing total nutrition for cellular rebuilding, and easy nutritional maintenance. Super Food has been specifically formulated to provide the essential factors necessary to properly nutritify and build a healthy body.
