Rebate Processing Options

Effective July 1, 2006, with the exception of new members participating in the 'Quick Start' Program, rebate cheques will only be issued for amounts of \$100.00 and greater.

By default, Avena Originals will automatically continue to process all rebates in the form of a cheque. For amounts lower than \$100.00 in any given month, rebates will be held in your account, and issued when accumulated to \$100.00 (Note: a cheque processing fee of \$2.00 per month applies).

OPTIONAL — HAVE US CREDIT YOUR REBATES TO YOUR MEMBERSHIP ACCOUNT! Regardless of the amount, Avena will automatically credit your monthly rebates to your membership account on the first business day of every month. These funds would then be available immediately to you as a credit for future purchases, saving you \$2.00 per month in processing fees!

I hereby request Avena Originals to credit my Personal Rebates, and Group Volume Rebates to my membership account.

NOTE — members who have previously requested their rebates in the form of credit to their account need not complete this form.

We encourage all members who have internet access to inform us via our website by completing this request online at www.avenaoriginals.com/rebates/forms.asp If you do not have internet access, please complete this form and return by fax or mail.
